

PlanetMark

We are Planet Mark Certified

Year 1.

This is to certify that City & Essex Ltd has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2021

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and for real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

22.2 tCO₂e

Total carbon footprint.

1.6 tCO₂e

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together, we can all halt climate change.

- Reporting Boundary: Head Office (Vantage House, 2nd Floor, 6-7 Claydons Lane, Rayleigh, Essex SS6 7UP)
- Emission sources: Electricity, water, waste, fleet, rail, T&D losses and paper
- Reporting Period: 01 Jan 2019 - 31 Dec 2019

Engage

14

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDG's.
